

“WE’RE NOT JUST COMPLYING. WE’RE TRANSFORMING OUR BUSINESS.”

Edward Kieswetter, Group CEO

Transformation is not a once-off event and at Alexander Forbes we’ve pledged ourselves to its continued journey. We’ve made great strides and proof of our commitment can be seen by our level 3 B-BBEE status, which we’ve retained for two consecutive years. There’s still significant work to be done but we’re well on our way towards contributing to the economic emancipation of black people.

Transforming our business is the right thing to do.
